<https://aclas.college>

How it works

- 1. Go to the education portal, and sign in with your account.**
- 2. Complete the information and upload verification documents included identification and invoice.**
- 3. Submit and confirm the payment.**
- 4. You will receive an email from PayMyTuition, stating the process of your payment if it is successful**

Guide

Step 1:

Visit ACLAS official website, sign in to your account that you are registered with. If not, click sign up to register your student account.

Select the course you want to study, click “Buy subscription”

Step 2:

Select your country, and payment option. If you want to make full payment, select “one time payment”

The screenshot shows a payment selection interface. At the top right, a box displays "Subtotal 89\$". Below this, there are three main sections:

- Select your country:** A dropdown menu is set to "Singapore".
- Select payment option:** Two buttons are shown: "One time payment" (highlighted with a red box) and "Installment options".
- Select payment method:** Two options are presented: "Paymytuition POWERED BY MTFX" (highlighted with a green box and a red seal) and "PayPal".

At the bottom right, a box displays "Order total 89\$". Below this, a large orange button with a white "P" icon and the text "Pay now with PayMyTuition" is highlighted with a red box. A small blue link below the button reads "Check Paymytuition guide first".

If you would like to select installment options, please note that there will be a **\$2 internal processing fee** due to the transaction progress.

However, there will not include any processing fee if you select one time payment.

The screenshot shows a payment selection interface. At the top, 'Select your country' is set to 'Zambia'. Below that, 'Select payment option' has two buttons: 'One time payment' and 'Installment options'. A box titled 'MBA installment plan A' contains the following details: 'Processing fee: 2\$ / installment', '4 installments:', a list of payments (1. 10\$ + 2\$ = 12\$, 2. 20\$ + 2\$ = 22\$, 3. 20\$ + 2\$ = 22\$, 4. 39\$ + 2\$ = 41\$), 'Total fee 8\$', and 'Total financed 97\$'. Below this, a summary shows '2 Installment payment' for 'MBA installment plan A' with a total of '10\$' and a '- installment processing fee' of '2\$'. At the bottom, 'Select payment method' shows 'Paymytuition' (powered by MIFX) and 'PayPal' as options.

Select the desired Installment plan, and make the payment.

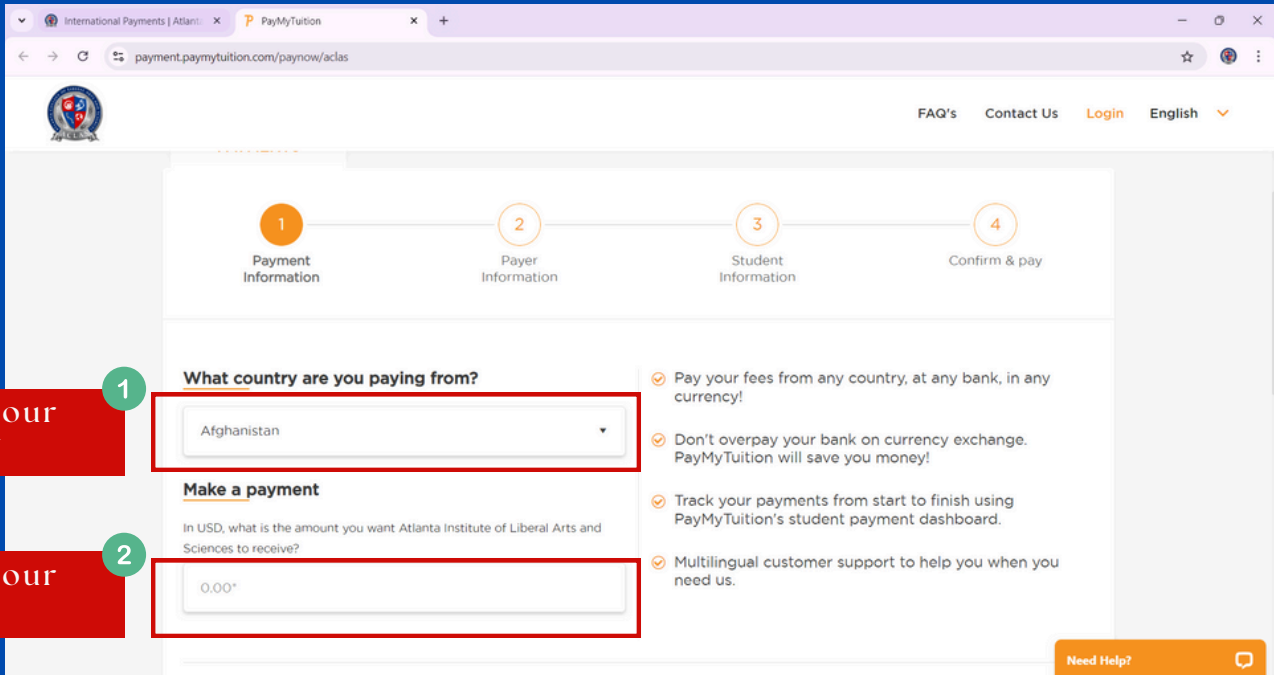

This screenshot shows the 'Select payment method' section. It features two options: 'Paymytuition' (powered by MIFX) and 'PayPal'. The 'Paymytuition' option is highlighted with a green checkmark and a red seal. Below the options, a red box highlights the '1st installment' button, which shows '12\$'. At the bottom, there is an orange button that says 'Pay now with PayMyTuition' and a checkbox labeled 'Check Paymytuition guide first'.

Do note that please follow the amount that the system shows to complete the payment.

Step 3:

After you click “Pay now with PayMyTuition” to start the payment,

1. Select your country
2. Select your amount you would like to pay

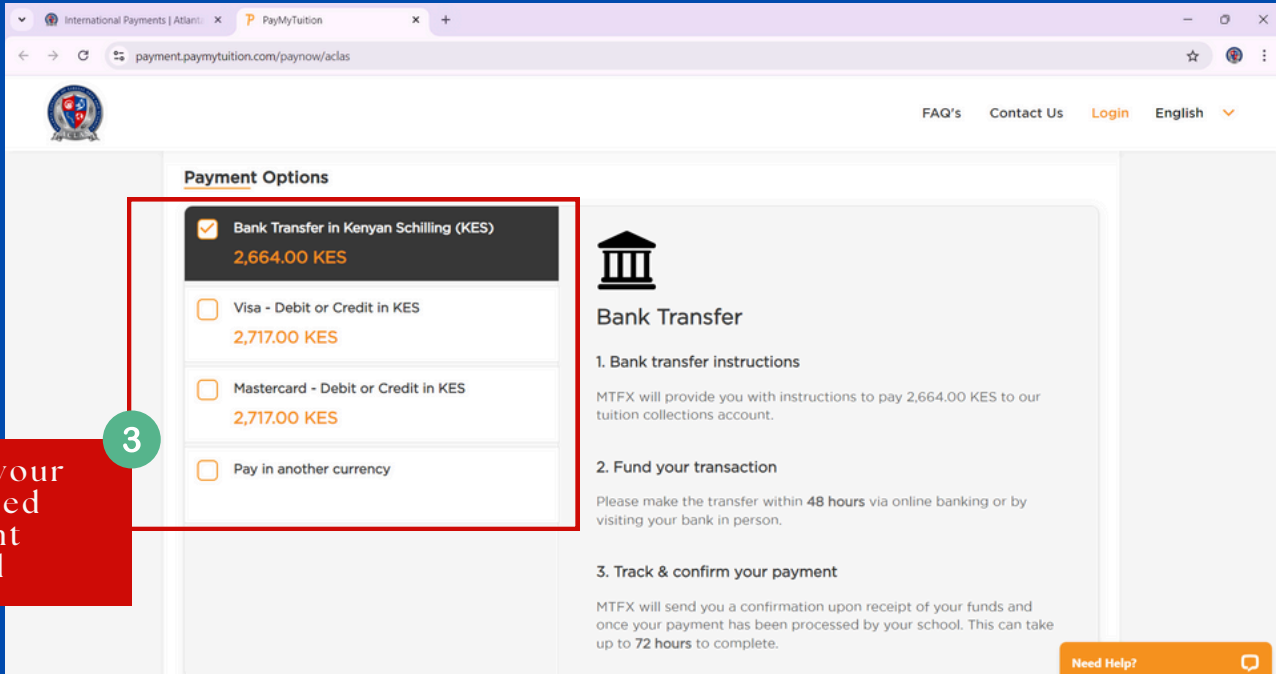

For students who pay in installments, please kindly follow what the system shows while you click payment option. Example, pay a total payment of \$12

Step 4:

After you select the amount, swipe down and select your preferred payment options.

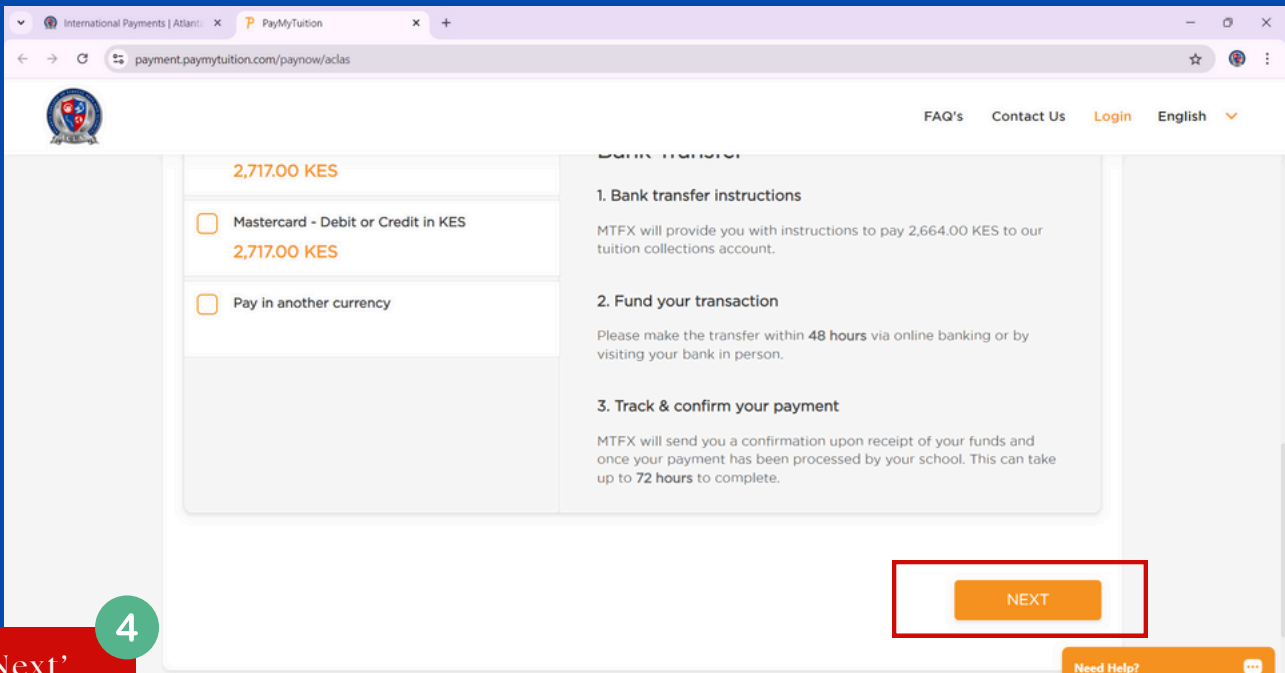

Select your preferred payment method

Note: The use of credit cards and e-wallets will include convenience fees to your quote. These fees are charged by the payment processor for the use of these payment options. We may have the rights to require full payment.

For some countries which only have the option of **Bank Transfer in USD**, kindly note that there will have a **\$30 USD charge for the cross-payment transaction by bank.**
